Revised 2014-11-05 by Faculty of Social Sciences. Revision of pre requisites, expected learning outcomes and literature.

The course syllabus is valid from spring semester 2015

Prerequisites

General entry requirements.

Objectives

The course deals with various concepts and theories with special emphasis on culture, morality, gender and ethnicity.

On completion of the course, the student should be able to

- describe and use cultural theoretical perspectives on sports
- explain and relate to social factors in sports, such as gender, social class and ethnicity
- analyze, compare and argue about the values and ideals in sport

Content

The course deals with the following content area:

- sport and media
- sport, gender and sexuality
- sport and culture
- sport, morality and ethics

Type of Instruction

Teaching is in the form of lectures, literature studies, group work and seminars.

Examination

The course is assessed with the grades Fail (U), Pass (G) or Pass with Distinction (VG).

Course Evaluation

Course evaluations are carried out and are compiled in writing and fed back to the students. The compilation is presented to relevant institutional bodies and the programme council. The compilation is filed at the responsible institution.

Other

Possible additional fees regarding assignments and such shall be paid by the student.
