Examination

The course is assessed with the grades Fail (U), Pass (G) or Pass with Distinction (VG).

The course is examined with two written exams; Human diseases and Traumatology 5 hp and specific pharmacology 2 hp together with an active participation in a compulsory seminar, 0,5 hp. The final grade is issued only when all examinations are passed. For the grade Pass this grade is required for all three examinations. For the grade Pass with distinction, this grade is required for both written examinations together with the grade Pass at the examining seminar.

Course Evaluation

A written evaluation is carried out and compiled in a report, which is archived at the institution. The results, along with possible measures taken, are reported to the students the next time the course is given.
