G1F

Date of Ratification

Approved by Organisational Committee 2009-08-14

The course syllabus is valid from spring semester 2010

Prerequisites

One full year of university studies within a teacher education programme or similar and a good command of English.

Expected learning outcomes

After completing the course the student should:

- have knowledge about Swedish school policies and cultures (curricula, school history, etc.),
- have developed, in consultation with a supervisor, the ability to plan and carry out sequences of teaching within a particular field.
- be able to problematise teaching from theoretical as well as practical viewpoints.

Content

The course includes 5 weeks of internship in a Swedish school or other educational setting. It also comprises the study of the Swedish school system.

Type of Instruction

School practice supervised by a tutor in a Swedish school or other educational setting.

Examination

The course is assessed with the grades Fail (U) or Pass (G).

Course Evaluation

When the course has finished, an evaluation is compiled. The results are reported to the students and then archived according to the rules of the school.

Other

Students who receive a passing grade in the course are entitled to a course certificate upon request.

Required Reading and Additional Study Material

Required reading

Course literature will be communicated to each student and will depend on the type of practice and school.
