School of Education, Psychology and Sports Science

2IV31E Idrottsvetenskapligt examensarbete, 15 högskolepoäng  
Degree Project Sports Science, 15 credits

**Main field of study**

Sport Science

**Subject Group**

Sport Science

**Level of classification**

First Level

**Progression**

G2F

**Date of Ratification**

Approved by the Board of the School of Education, Psychology and Sports Science  
2009-12-14

Revised 2010-12-15. Revision due to English translation.

The course syllabus is valid from spring semester 2011

**Prerequisites**

NO VALUE DEFINED

### Expected learning outcomes

On completion of the course, students should be able to

- carry out an independent, scientific work
- critically examine scientific reports
- study, analyse and belabour issues that concern sport scientific phenomena.

### Content

The course contains the following elements:

- carrying out and reporting of an independent sport scientific work
- defending of thesis
- critical examination of another thesis

### Type of Instruction

Teaching is in the form of lectures, supervision and seminars. Attendance at lessons is obligatory unless otherwise agreed upon with the examiner.

### Examination

The course is assessed with the grades Fail (U), Pass (G) or Pass with Distinction (VG).

### Course Evaluation

Course evaluations are carried out verbally and/or in writing continuously throughout the course. At the end of the course, a written course evaluation is performed. Course evaluations are compiled and stored at the institution. The results are fed back to the students who have taken the course and are presented, together with the possible measures taken, to the students the next time the course is given

### Other

Possible additional fees regarding assignments and such shall be paid by the student.
